SAGE Design-Build, Inc. begins project for EBC Printing

EBC Printing has been recognized locally as one of the fastest growing small businesses in the Lehigh Valley. It's no surprise that EBC needs more space.

SAGE Design-Build, Inc. has construction well underway for a new building to house the growing EBC Printing Team, and create space for all services. All three of EBC's divisions — Commercial Printing and Signs, Promotional Products and Business Services — are set to move to the new location at 6034 Hamilton Blvd. in Trexlertown. SAGE Design-Build, Inc., which is serving as the general contractor for the project, broke ground earlier in the fall and plans for completion in January 2020.
